

# Learn from Mistakes

## May 2025 Insights

Insights (*noun*) – Your list of items - *compassion, lessons, and wisdom* to learn from your mistakes and transform regret into resilience.

### ENERGY

When Merlin and Cleo stand together, their energies blend in a swirl of gold and silver light. Feel the light enveloping you, filling you with their combined wisdom. Merlin's grounding presence and Cleo's creative spark intertwine within you.

*Lesson – Use your imagination to transform regret into resilience. Hold this wisdom close and let it light your path.*

### GUIDES

Merlin reminds you that mistakes are not foes, they are your greatest teachers. Cleo's energy infuses you with a sense of inspiration, teaching you to embrace imperfection as a source of creation.

*Lesson – Mistakes can be woven into something beautiful. Through creativity, you can transform what was broken into art, into growth.*

### MINDSET

Remember a moment when you stumbled, when you erred. But instead of judgment, now see it with compassion. The memory transforms. See the lesson it carried for you, shining brightly, waiting to guide you forward.

*Lesson – You carry the power to learn and grow. Mistakes are simply portals to understanding. Walk your journey with courage and curiosity.*
