From the Tomb of Inherkau ~ Lions of Aker

PHASE 123 (LEO 3°): A MIDDLE-AGED WOMAN, IN HER LONG HAIR FLOWING OVER HER SHOULDERS AND IN A BRA-LESS YOUTHFUL GARMENT.

KEYNOTE: The will to meet the challenge of age in terms of our modern society's glorification of youth.

While the original reading of the symbol over fifty years ago spoke of the mature woman having dared to bob her hair, today a similar kind of rebellion against aging and the customs of late middle age would manifest itself in different ways. The meaning of the symbol can be extended to any desire an individual woman would have to claim her right to experiences of youth which may have been denied to her, especially when according to the fashion of the day such experiences are considered highly valuable.

This third stage symbol implies a reorientation of one's ideal of action in relation to the collective mentality of the social environment; more particularly, a refusal by the individualized consciousness to be bound by biological or social standards. The Keyword: INDEPENDENCE

Sun in Leo- Final Dispositor to all Other Planets in the Chart

Dispositor- all other Planets defer back to the Dispositor

When Neptune was in Pisces he was at least one of the Dispositors- but now he is in Aries (any Planet in Rulership will be a Dispositor)

Uranus in Gemini- Mercury is Retrograde

Saturn/Neptune in Aries- Mars separating from the South Node

Uranus trine Pluto
Uranus sextile Neptune
Neptune sextile Pluto

Uranus/Neptune/Pluto- Minor Grand Trine

We are heading into a VERY POWERFUL Transpersonal Portal 2025/26 all the way to 2032!!!

The shift began with Pluto's ingress into Aquarius 2023-24, Neptune's ingress into Aries 2024-25, and Uranus' ingress into Gemini 2025-26

Then they all start to align with each- Uranus sextiles Neptune begins August 2025- Uranus trine Pluto and Neptune sextile Pluto will begin next July 2026.

Uranus- the Higher Mind, Neptune- the Higher Heart, Pluto- the Higher Will/Power

All of them moving into new Tropical Signs and linking up in this way is PROFOUND- very much connected to the Age of Aquarius

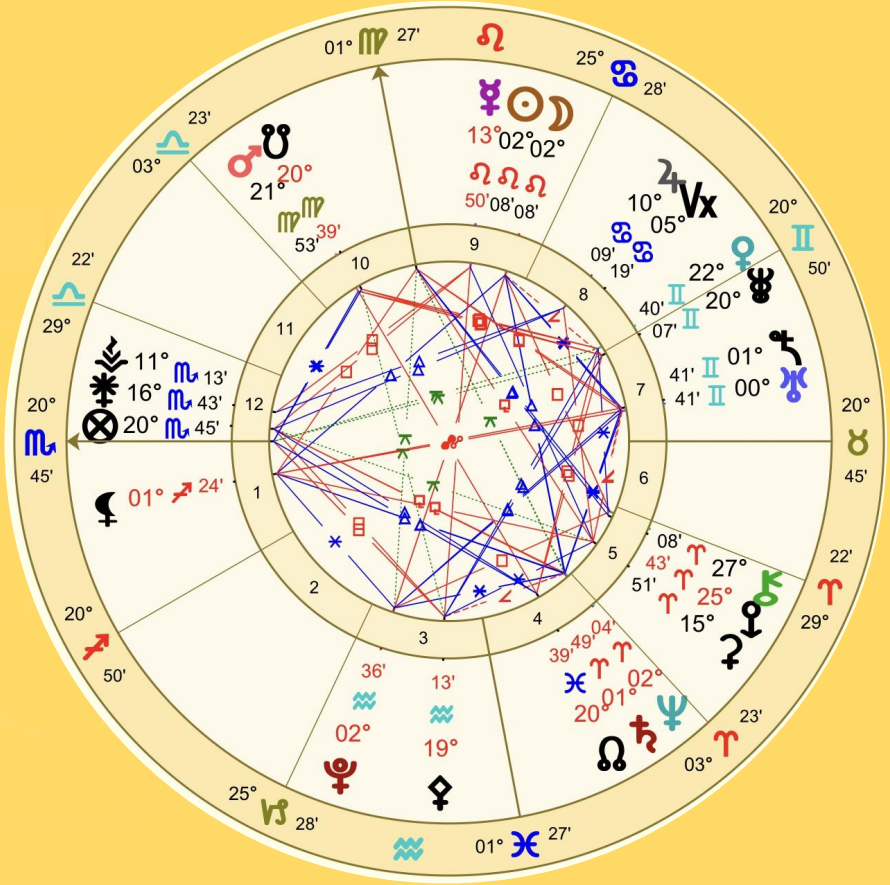

{New Moon @ 2’08 Leo}

PHASE 129 (LEO 9°): GLASS BLOWERS SHAPE BEAUTIFUL VASES WITH THEIR CONTROLLED BREATHING.

KEYNOTE: The need to involve one's most spiritual and vital energies in the creative act' if it is to produce significant and beautiful new forms.

The breath represents the power of the spirit, animator of all living manifestations. Because the glass blower uses his breath to shape the glass vessels, he is a fitting symbol of how deeply any creative individual has to involve his total being in his creation. He is also using the fire of the spirit — transpersonal inspiration — or, in another sense, the fire of deeply felt emotions. Any creative activity which does not involve both the "breath" and the "fire" cannot transform into beautiful artworks — or indeed into any new form of order — the raw materials, remains of the past (the "sand").

This fourth stage of the twenty-sixth sequence symbolically shows us the technique required in true and successful transforming activity. It always implies CREATIVE INTENSITY.

Are you living from the Truth of your Heart?

Not truth of the ego/small self

But Truth of Highest Self within you

If you are YAY- get more and more aligned- more and more embodied

If you are not- what are you ready, willing and able to do about it?

The Transpersonal Planets are activating our small selves/human selves. Will we listen and follow? Or will we fight it and get pummelled? ;)
